ADVENTURE THERAPY

Do you know a young person who would benefit from adventure therapy? With every program tailored to meet organisational and participant requirements, we can help young people aged 7-27 be their very best selves. We provide unique interventions using adventure therapy to engage young people with complex backgrounds.

Our services are NDIS eligible

Each session includes:

- A door to door service
- 3 hours of adventure
- Access to bushland and rivers within a short distance of the school/home
 - Activity equipment as needed
 - Participant feedback
 - Psychoeducation by the worker to target identified therapeutic/behavioural concerns
- Activities may include: canoeing, bushwalking, geocaching, mountain biking and abseiling.
